ARTICLE IV  
COVENANTS FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments.

The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improvement and maintenance of the Common Area owned by the Association and areas affecting the houses situated upon the properties.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be sixty dollars (\$60.00) per Lot.

- a. From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than three percent above the maximum assessment for the previous year without a vote of the membership.
- b. From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above three percent by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.
- c. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum. As long as there is a Class B membership,

the Board of Directors may charge and collect a fraction of the annual assessment on each Lot until the conveyance of said Lot by Declarant to an Owner, provided that, after any conveyance of the Common Area, any such fractional charge to Declarant shall not be less than fifty percent (50%).

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than 30 days nor more than 50 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 50 days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots, except as provided in Section 3(c) hereof, and may be collected on a monthly basis.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be

sent to every Owner subject thereto. The dues shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the association setting forth whether the assessments on a specified Lot have been paid.

Section 8. Effect of Non-payment of Assessments: Remedies of the Association. Any assessments not paid within thirty (30) days after the due date, shall bear interest from the due date at the rate of seven and one-half percent (7½%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property, and interest, costs, and reasonable attorney's fees of any such action shall be added to the amount of such assessment. Each Owner, by his acceptance of a deed to a Lot, hereby expressly vests in the FAIRFAX HOMEOWNERS ASSOCIATION, INC., or its agents the right and power to bring all actions against such Owner personally for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Association in a like manner as a mortgage or deed of trust lien on real property, and such Owner hereby expressly grants to the Association a power of sale in connection with said lien. The lien provided for in this section shall be in favor of the Association and shall be for the benefit of all other Lot Owners. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages granted or created by the Owner of any Lot to secure the payment of monies advanced and used for the purpose of purchasing and/or improving such Lot. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to a foreclosure under such purchase-money or improvement mortgages or any proceeding in lieu

Section 10. Exempt Property. All properties dedicated to and accepted by a local public authority; and all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Texas shall be exempt from the assessment created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

Section 11. Management Agreements. Each Owner of a Lot hereby agrees to be bound by the terms and conditions of all management agreements entered into by the Association. A copy of all such agreements shall be available to the Lot Owners. All management agreements shall be made with responsible parties having experience adequate for the management of a project of this type.

ARTICLE V  
ARCHITECTURAL CONTROL

No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

ARTICLE VII

For the purpose of this covenant, eaves, steps and open porches shall not be considered as a part of the building; provided, however, that this shall not be construed to permit any portion of a building on any lot to encroach upon another lot. If two or more lots, or fractions thereof, are consolidated into the building site in conformity with the provisions of Section 4 below, these building set-back provisions shall be applied to such resultant building site as if it were one original, platted lot.
